algarve

The Autodromo Internacional do Algarve (commonly referred to as Portimao Circuit) is famous as a favourite of the World Superbike Championships, this flowing rollercoaster of tarmac is a must drive - especially now that you have this exclusive opportunity with RSR Iberia!

Construction on the track finished in October 2008, and was designed by Ricardo Pina Arquitectos. Sporting some major elevation changes, creating both blind crests and tricky cambers to keep challenging you every lap you drive!

Overall, Portimao Circuit is super-fast, super exciting and super safe - provided you give it the respect it demands!

Length:	4.7km (2,9mi)
Corners:	18
Noise Limit:	130dB
